THE TRANSFORMERS: REANIMATED.  
"LUCKY 13, PART 2."

Written by

Greig Tansley &  
Youseph "Yoshi" Tanha.

Art by  
Dan Khanna.

Based on the original cartoon series, The Transformers: ReAnimated,  
bridges the gap between the seminal second season and the 1986 Movie  
that defined the childhood of millions.

**PAGE ONE:**

**PANEL 1:**

EXT. THE SKIES OVER CYBERTRON - NIGHT

In their various aerial-modes, SPRINGER, DOGFIGHT, DAI ATLAS and BLITZWING zoom towards a MIGHTY, GREEN DECEPTICON FORTRESS that rests on the HORIZON.

As seen in last issue, Blitzwing is now an Autobot. The once-purple parts of his body/alt-mode have now been replaced by a deep CRIMSON color.

The ground below almost SHINES with a GOLDEN RADIANCE.

**NOTE:** All Transformers seen in this future timeline (except for Powerglide) wear the G2 versions of their faction badges.

**CAPTION:** Cybertron, 999,997 years into the future...

SPRINGER

All right, everyone. This is it. This is our only chance to get that Kronocube and undo this terrible timeline. Perceptor, how close is your team with that underground tunnel?

**PANEL 2:**

INT. A TUNNEL, BENEATH THE SURFACE OF CYBERTRON

NOSECONE's alt-mode continues to DRILL forward to create a SUBTERRANEAN PASSAGEWAY.

Behind him, PERCEPTOR stands with POWERGLIDE, MOONRACER and the Micromaster FIXIT.

Perceptor is speaking into a HAND-HELD COMMUNICATOR.

PERCEPTOR

Thanks to Nosecone, we're closing in fast. But, this entire operation will fail in spectacular fashion unless you rendezvous with your ground assault crew.

**PANEL 3:**

EXT. JUST OUTSIDE THE PERIMETER OF THE DECEPTICON FORTRESS - NIGHT

WIDE SHOT - On the golden surface of Cybertron, with the Decepticon Fortress looming large in the background, four Autobots do battle with several Decepticons.

SLAG (in dino-mode) charges forward to melt ROAD PIG with his FIRE BREATH.

Behind Slag, SURESHOT and OVERRIDE race across the panel. With BLASTERS fixed to their vehicle-modes, they shoot down RAGE.

TWIN CAST stands further in the background, firing a hole through the chest of DIRT BAG with his ELECTRO-SCRAMBLER GUN.

SLAG

We're already here, Perceptor!  
Taking down 'Cons as we speak.

OVERRIDE

Yeah! I'd forgotten how much fun  
this could be!

SURESHOT

Woooo!

TWIN CAST

Don't get too excited. These  
underlings are only the beginning.  
Pretty soon, this place will be  
swarming with more Decepticons.

**PANEL 4:**

EXT. THE SKIES OVER CYBERTRON - NIGHT

Springer, Dai Atlas and Dogfight DIVE towards the Decepticon Fortress, unleashing a HAIL OF ENERGY FIRE towards the stronghold.

SPRINGER

Then, let's get their attention.  
Autobots, attack!

**PAGE TWO:**

**PANEL 1:**

INT. INSIDE THE DECEPTICON FORTRESS, THRONE ROOM

JHIAXUS stands watching a WALL OF COMPUTER MONITORS, each of them displaying various images of the Autobots in battle.

Standing either side of Jhiaxus, stands ROOK and KILOTON.

**CAPTION:** Meanwhile, inside the fortress...

ROOK

What are they doing?

KILOTON

Those Autobots have lost their minds! They must know attacking this fortress is suicide?

JHIAXUS

Perhaps. Perhaps not. This assault on our fortress is most likely nothing more than an attempted diversion.

**PANEL 2:**

CLOSE ON Jhiaxus.

JHIAXUS (CONT'D)

Their true goal is clear. They want the Kronocube. They must believe they can undo this timeline should they return that little Autobot from the past back to his own time.

**PANEL 3:**

Rook and Kiloton look on as Jhiaxus turns to address WINDRAZOR.

JHIAXUS (CONT'D)

Windrazor, take some of the fleet and meet those flying Autobots head on.

WINDRAZOR

Yes, sir. But, what about the ones on the ground?

SOUNDBLASTER

(off-panel)

Hey, don't you worry none about them, buddy.

**PANEL 4:**

SPLASH PANEL, OVER JHIAXUS'S SHOULDER - SOUNDBLASTER stands in a JOVIAL POSE. WINGTHING rests on his shoulder, while his other cassettes, OVERKILL and SLUGFEST stand at his feet.

In the background, the LASER RODS: SIZZLE and JOLT stand ready for action.

SOUNDBLASTER (CONT'D)  
I'll take care of 'em. I'll take care of 'em real good. Ha-Ha-Ha-Ha!

JHIAXUS  
Excellent. Then go...

**PAGE THREE:**

**PANEL 1:**

EXT. JUST OUTSIDE THE PERIMETER OF THE DECEPTICON FORTRESS - NIGHT

Still outside the fortress, Slag (now in robot-mode) SLICES through POUNCE with his ENERGO SWORD. At the same time, Twin Cast guns down WINGSPAN.

JHIAXUS  
(captioned)  
... Destroy the Autobots, once and for all.

POUNCE  
Aaaagh!

WINGSPAN  
Uurk!

TWIN CAST  
I'm picking up audio signals left and right. We've **definitely** got more 'Cons on the way.

SLAG  
Bring 'em on! So far, so good!

**PANEL 2:**

EXT. THE SKIES OVER CYBERTRON - NIGHT

Springer shoots FEARSWOOP out of the sky, while Blitzwing and Dogfight annihilate HOOLIGAN.

Dai Atlas has taken the lead, soaring past the others as though preparing for an imminent attack.

FEARSWOOP

Gaaagh!

SPRINGER

That's what I like to hear, Slag.  
Keep it up, Autobots!

DAI ATLAS

Yes, keep it up, indeed. We've got incoming...

**PANEL 3:**

WIDE SHOT - Windrazor leads a small squadron of Decepticon jets in a V-shape formation.

On his left, flies SKYJACK, SPACE CASE and MISFIRE. To his right, flies SLUGSLINGER, SNAPDRAGON and APEFACE.

Rising up from the rear of the group in shuttlecraft-mode, is ASTROTRAIN.

WINDRAZOR

You got that right, Autobot. Here comes the welcome wagon!

**PANEL 4:**

Skyjack is immediately BLASTED to pieces by Dai Atlas, while Dogfight and Springer engage Windrazor, Misfire and Apeface with a series of energy blasts.

SKYJACK

Huuurgh?!

SPRINGER

About time you showed up,  
Windrazor. Time to put your money  
where your mouthplate is.

**PANEL 5:**

Astrotrain positions himself behind Blitzwing, firing blasts that whizz by his former friend.

ASTROTRAIN

Time to die, traitor.

BLITZWING

Bring it on, Astrotrain. Let's see  
what you've **really** got!

**PAGE FOUR:**

**PANEL 1:**

INT. A TUNNEL, BENEATH THE SURFACE OF CYBERTRON

Nosecone continues to drill away at the tunnel, leaving Perceptor to converse with Powerglide, Moonracer and Fixit.

**CAPTION:** Meanwhile...

NOSECONE

How much farther, Perceptor? Too much more of this, and I'm gonna run out of Energon.

PERCEPTOR

Not far now, Nosecone. Keep up the good work.

**PANEL 2:**

Powerglide turns to Perceptor.

POWERGLIDE

So, is this fancy plan of yours really gonna work, Perceptor? I mean, I know I've been a part of some pretty spectacular escapades in the past, but this is another level.

**PANEL 3:**

Fixit looks up at Powerglide with DETERMINATION.

FIXIT

It **has** to work. Do you know how many Autobots I've lost on the repair slabs? Too many. If we can get to that Kronocube and send you back in time, you can reset the future. Which means none of this will ever happen, and all those Autobot lives...

**PANEL 4:**

Perceptor looks down to a DATA PAD in his hands, while Nosecone remains drilling the tunnel.

PERCEPTOR

Yes, all of those lives will be saved, along with the timeline. But only if we reach our destination. By my calculations, we have another three Hics\* before we can start drilling up into the Decepticon structure. Are you up to such a task, Nosecone?

NOSECONE

I'm running out of power, but don't worry, I'll get us there.

**CAPTION:** One Hic = one Cybertronian kilometer.

**PANEL 5:**

Nosecone continues to drill the tunnel in the background, leaving Moonracer, Powerglide, Fixit and Perceptor to ponder the fate of their friends.

MOONRACER

You can do it, Nosecone. I know you can!

PERCEPTOR

Indeed. Let's just hope that in the meantime, our friends can keep up the fight.

**PAGE FIVE:**

**PANEL 1:**

EXT. JUST OUTSIDE THE PERIMETER OF THE DECEPTICON FORTRESS - NIGHT

Slag, Override, Twin Cast and Sureshot (all in robot-modes) are now under HEAVY FIRE from the Decepticon troop of Jolt, Sizzle, ARCHFORCE, CLENCH, and the Battle-Chargers: RUNAMUCK and RUNABOUT.

SURESHOT

All right, now things are getting messy!

OVERRIDE

Then let's mess 'em right back!

**PANEL 2:**

WIDE SHOT - Sureshot, Override and Slag trade energy blasts with Archforce and Clench in what seems to be a STALEMATE.

CLENCH  
Give it up, Auto-fools!

OVERRIDE  
Yeah, right!

SURESHOT  
Just you try and make us!

**PANEL 3:**

From the background, Twin Cast turns as the FEET of Soundblaster have landed within the foreground.

TWIN CAST  
Oh, you've got to be kidding me.

SOUNDBLASTER  
Aw, what's the matter? Miss me?

TWIN CAST  
You wish.

**PANEL 4:**

Twin Cast SHAPES UP FOR BATTLE opposite the maniacal Soundblaster.

SOUNDBLASTER  
Hey, don't be like that. I've waited a long time for this.

TWIN CAST  
Hmm. All talk. No shock.

**PANEL 5:**

Twin Cast and Soundblaster CHARGE towards each other.

TWIN CAST (CONT'D)  
Time to shut you up for good!

SOUNDBLASTER  
Now you're talking! Ha-Ha-Ha-Ha-Ha!

**PAGE SIX:**

**PANEL 1:**

EXT. THE SKIES OVER CYBERTRON - NIGHT

Dogfight is BLASTED to pieces by the combined efforts of Snapdragon and Apeface.

Dai Atlas has SWOOPED back to move towards Apeface.

DOGFIIGHT  
Aaaaarghh!

DAI ATLAS  
Dogfight! No!

**PANEL 2:**

Dai Atlas fires to SHATTER Apeface's jet-mode with a powerful blast of energy.

DAI ATLAS (CONT'D)  
You'll pay for that, Decepticon.

APEFACE  
Uuurghk!

**PANEL 3:**

Springer drops into frame to help Dai Atlas BLAST Snapdragon, sending the Decepticon HURTLING out of control towards the surface.

SPRINGER  
Happy landings, Snapdragon!

DAI ATLAS  
I'm pretty sure it won't be.

SPRINGER  
Good.

**PANEL 4:**

Springer and Dai Atlas FLEE from the ENERGY ATTACKS of Windrazor, Misfire, Slugslinger and Space Case.

DAI ATLAS  
Sir, with these odds, we won't last much longer.

SPRINGER  
We only need to last long enough for Perceptor's team to find the Kronocube.

**PANEL 5:**

Astrotrain LAUGHS as Blitzwing PLUMMETS towards the ground.

BLITZWING  
Aaah! I can't fly!

ASTROTRAIN  
Ha-Ha-Ha-Ha!

**PAGE EIGHT:**

**PANEL 1:**

As Blitzwing continues to fall, Astrotrain flies beside him like SUPERMAN, taunting his former Decepticon ally.

ASTROTRAIN (CONT'D)  
I'm gonna enjoy this. Watching you smash like a stone. It's what you deserve, Blitzwing.

BLITZWING  
Maybe. But, I'm not done yet.

**PANEL 2:**

Astrotrain watches with CONFUSION, as Blitzwing TRANSFORMS into tank-mode.

ASTROTRAIN  
W-What are you doing?

BLITZWING  
Only got one shot at this. Have to make it count! As an old friend once said...

**PANEL 3:**

Blitzwing fires from his tank turret, BLASTING Astrotrain in the face.

BLITZWING (CONT'D)  
BLAM!

**PANEL 4:**

As a NOW-HEADLESS Astrotrain plummets towards the surface, Blitzwing's tank-mode continues to fall.

BLITZWING (CONT'D)  
Shame I never got to do that sooner. Oh, well. Maybe in another timeline...

**PANEL 5:**

BIRD'S EYE VIEW - Both Blitzwing and Astrotrain SLAM into the ground and EXPLODE.

**PAGE NINE:**

**PANEL 1:**

Springer and Dai Atlas continue their aerial battle with Windrazor and Space Case, as four TETRA-JETS (each colored silver, cyan, lilac and orange) enter the fray.

Each of the Tetra-Jets have OPENED FIRE towards Springer and Dai Atlas, blasting each of them several times.

WINDRAZOR

Give it up, Springer. It's over.

**PANEL 2:**

EXT. THE SURFACE OF CYBERTRON - NIGHT

Both Springer and Dai Atlas TRANSFORM to robot-mode to land on their feet. Both are HEAVILY DAMAGED, sporting several injuries.

In the sky above, Windrazor SWOOPS in for yet another attack.

DAI ATLAS

Ughh... This is starting to look hopeless.

SPRINGER

I know. But... we have to keep going. Got to give Perceptor all the time he...

**PANEL 3:**

Dai Atlas jumps in front of Springer to shield him from Windrazor's LASER ATTACK, which tears through the much larger Autobot.

DAI ATLAS

Springer! Watch out! Aaaaagh!

SPRINGER

Atlas!

**PANEL 4:**

Windrazor TRANSFORMS to robot-mode to land in the distance, while Springer cradles an ALMOST-LIFELESS Dai Atlas in his arms.

SPRINGER (CONT'D)  
Atlas, what have you done?

DAI ATLAS  
You said it yourself. Perceptor...  
needs time...

WINDRAZOR  
All right, Springer. Let's finish  
this. You ready for your last  
stand?

**PANEL 5:**

HIGH ANGLE, LOOKING DOWN on Springer, as the eyes of Dai Atlas have faded to gray.

SPRINGER  
Oh, you know it.

**PANEL 6:**

WIDE SHOT - Springer SLICES Windrazor in half at the waist with his SWORD, despite the AERIAL BOMBARDMENT now being dropped upon him by the four Tetra-Jets.

Despite his victory over Windrazor, it doesn't look like Springer's getting out of this one.

WINDRAZOR  
Yaaagh!

SPRINGER  
'Till all are one!

**PAGE TEN:**

**PANEL 1:**

EXT. JUST OUTSIDE THE PERIMETER OF THE DECEPTICON FORTRESS -  
NIGHT

Soundblaster releases Wingthing, Overkill and Slugfest from his CHEST COMPARTMENT to sail towards Twin Cast and his electro-scrambler gun.

**CAPTION:** Meanwhile...

SOUNDBLASTER

Ha-Ha-Ha! You remember my friends,  
don't you?

TWIN CAST

Yeah...

**PANEL 2:**

Twin Cast drops to one knee to BLAST Overkill, Slugfest and Wingthing with his electro-scrambler gun.

TWIN CAST (CONT'D)

... They **still** don't impress me.

**PANEL 3:**

Soundblaster begins to emit SOUNDWAVES from his hands towards Twin Cast.

SOUNDBLASTER

Then let's do this the old  
fashioned way! Ha-Ha-Ha-Ha!

**PANEL 4:**

Struggling under the stress of the violent soundwaves, Twin Cast manages to TRANSFORM his hands into SPEAKERS of his own.

TWIN CAST

No... way... two can... play.

**PANEL 5:**

Soundblaster and Twin Cast face off with their OPPOSING SOUNDWAVES, now dueling like a pair of robotic wizards.

SOUNDBLASTER

That's the spirit! Ha-Ha!

**PAGE ELEVEN:**

**PANEL 1:**

CLOSE ON Soundblaster's face. Bombarded by Twin Cast's soundwaves, the Decepticon's OPTIC VISOR has begun to crack under the pressure.

SOUNDBLASTER (CONT'D)

Uh-oh...

**PANEL 2:**

OVER TWIN CAST'S SHOULDER - Soundblaster ceases to emit soundwaves from his hands as his chest compartment EXPLODES.

SOUNDBLASTER (CONT'D)

Aaagh!

**PANEL 3:**

While Soundblaster has fallen to his knees, Twin Cast approaches him, electro-scrambler gun in hand.

TWIN CAST

After all this time. After **everything** we've been through. This is finally it. This is the end.

SOUNDBLASTER

You know... you know what?

**PANEL 4:**

Soundblaster fires a BLAST from his SHOULDER CANNON that RIPS through Twin Cast's own CHEST COMPARTMENT.

SOUNDBLASTER (CONT'D)

I think you're right.

TWIN CAST

Uuurgh!

**PANEL 5:**

Twin Cast drops to his knees, as Soundblaster falls FACE-FIRST into the ground.

TWIN CAST (CONT'D)

Ugh... stupid. Should never have let him get the best of me. C'mon, Powerglide. It's... it's all... up to you now. Twin Cast...

**PANEL 6:**

WIDE SHOT - Twin Cast remains SLUMPED on his knees as Soundblaster continues to lie face-down on the ground before him.

The colors have now drained from BOTH of their bodies, leaving behind lifeless, charcoal husks.

TWIN CAST (CONT'D)

... Signing off.

**PAGE TWELVE:**

**PANEL 1:**

INT. A TUNNEL, BENEATH THE SURFACE OF CYBERTRON

Nosecone now stands in robot-mode beneath a hole in the tunnel's ceiling, turning to look back at Perceptor, Moonracer, Powerglide and Fixit.

NOSECONE

Okay, Autobots. Get those blasters ready. We're here.

**PANEL 2:**

INT. INSIDE THE DECEPTICON FORTRESS, A HALLWAY

Now inside a DARK, GREEN CORRIDOR, Moonracer stands guarding Fixit and Nosecone with her SNIPER RIFLE as Powerglide helps Perceptor climb free of the hole in the floor.

POWERGLIDE

C'mon, Perceptor ol' pal. We gotta get this show on the road!

**PANEL 3:**

Powerglide looks to Perceptor, now standing with his data pad in his hands.

POWERGLIDE (CONT'D)

Where to?

PERCEPTOR

I've got a fix on the Kronocube's radiation.

**PANEL 4:**

Powerglide, Moonracer, Fixit and Nosecone follow Perceptor as he HASTILY leads them down the corridor.

PERCEPTOR (CONT'D)

This way!

**PANEL 5:**

At the rear of the panel, Powerglide and Moonracer disappear around a corner at the end of the hallway. But in the foreground, Jhiaxus SMILES, hiding around a blind corner of his own.

POWERGLIDE

All right. This is gonna be easier  
than I thought!

**PAGE THIRTEEN:**

**PANEL 1:**

EXT. JUST OUTSIDE THE PERIMETER OF THE DECEPTICON FORTRESS -  
NIGHT

In dino-mode, Slag CHARGES into Runamuck and Runabout like a  
runaway freight train, scattering the Battle-Chargers into  
the air.

Sureshot and Override stand nearby in robot-mode, firing  
their blasters towards off-panel enemies.

RUNAMUCK

Aaaagh!

SURESHOT

Ha!

**PANEL 2:**

Override is HORRIFIED to see Sureshot taken down by the  
combined energy attacks of Clench and Archforce.

SURESHOT (CONT'D)

Hhhugh?

OVERRIDE

Sureshot!

**PANEL 3:**

As Sureshot falls, Override is CUT INTO PIECES by both Sizzle  
and Jolt's LASER SWORDS.

OVERRIDE (CONT'D)

Urk!

SIZZLE

Ha-Ha!

JOLT

Oh yeah! Nice one, Sizzle!

**PANEL 4:**

Slag covers both Sizzle and Jolt in flames with his FIRE  
BREATH.

SLAG  
Sizzle? I'll give you **sizzle!**

**PANEL 5:**

Slag TRANSFORMS to robot-mode as a HUGE SHADOW falls over him. He looks none-too-pleased.

SLAG (CONT'D)  
Wonderful.

**PAGE FOURTEEN:**

**PANEL 1:**

SPLASH PANEL - PREDAKING stands before Slag, dwarfing the lone Dinobot. Slag stands his ground, now wielding both his ENERGO SWORD and ELECTRON BLASTER.

SLAG (CONT'D)  
Predaking!

**PANEL 2:**

Predaking RAISES his enormous foot over Slag, who DEFIANTLY fires his blaster up at the fearsome combiner.

PREDAKING  
Dinobot.

SLAG  
That's right, Dinobot! This is for Swoop! And Snarl! And Sludge!

**PANEL 3:**

CLOSE ON Slag's ENRAGED face as he continues firing his blaster.

SLAG (CONT'D)  
And Grimlock!

**PANEL 4:**

The giant foot of Predaking STOMPS down on Slag, silencing him for good.

**PAGE FIFTEEN:**

**PANEL 1:**

INT. INSIDE THE DECEPTICON FORTRESS, A LABORATORY

Within what appears to be some kind of RESEARCH FACILITY, Perceptor stands before the LIME-GREEN KRONOCUBE, resting upon its equally-as-green TRIANGULAR PEDESTAL.

Moonracer, Powerglide, Nosecone and Fixit stand nearby in shock.

MOONRACER

We've found it! The Kronocube!

NOSECONE

Is that really it?

POWERGLIDE

Oh, that's it all right. I'd recognize that troublesome little doohickey anywhere.

**PANEL 2:**

Perceptor appears to be scanning the Kronocube with his data pad.

PERCEPTOR

Despite Powerglide's rather rudimentary description, he is correct. This **is** the Kronocube. Now quickly, before...

**PANEL 3:**

Moonracer and Nosecone watch in FEAR as Fixit is DESTROYED by an ENERGY BLAST fired from off-panel.

FIXIT

Guurgh!

MOONRACER

Oh no! Fixit!

**PANEL 4:**

SPLASH PANEL, OVER MOONRACER'S SHOULDER - Jhiaxus stands holding the SMOKING gun-mode of Kiloton, while Rook looks on from behind him.

JHIAXUS

You poor, delusional Autobots. Did you think you could just break into this fortress and steal the most important artefact in Decepticon history?

(MORE)

JHIAXUS (CONT'D)

You and your kind are like a plague. A plague I **allowed** to temporarily infect this citadel in order to finally cleanse Cybertron of your filth, once and for all.

MOONRACER

You mean... this was a **trap** all along?

**PAGE SIXTEEN:**

**PANEL 1:**

Jhiaxus fires Kiloton's gun-mode once again, this time blowing a hole through Nosecone.

JHIAXUS

Of course. A trap you fell into like the robo-rats you are.

NOSECONE

Yaaaagh!

**PANEL 2:**

In the background, Kiloton TRANSFORMS to robot-mode to surround Moonracer alongside Jhiaxus and Rook, as she lifts her sniper rifle towards the Decepticons.

Meanwhile, in the foreground, Perceptor has turned to Powerglide with purpose.

MOONRACER

Stay back! Stay back!

PERCEPTOR

Now's your chance, Powerglide. Quickly! Seize the Kronocube before it's too late!

**PANEL 3:**

Moonracer manages to gun down both Kiloton and Rook, while Jhiaxus DRIVES HIS FIST into Perceptor's chest.

Despite his imminent demise, Perceptor calls out to Powerglide as the plucky little Autobot has lifted the Kronocube from its pedestal.

PERCEPTOR (CONT'D)

Uuuurgh! Now, Powerglide! Now!

MOONRACER

He's right, Powerglide. Do it now!

**PANEL 4:**

Powerglide looks down at the Kronocube in his hands. It has begun to GLOW.

POWERGLIDE

All right. Here goes nuthin'!

**PANEL 5:**

The Kronocube's GLOWING ENERGIES begin to engulf Powerglide as Jhiaxus charges towards him.

Part of Jhiaxus's OUTSTRETCHED HAND has also begun to glow like the Kronocube and Powerglide, as the Decepticon reaches for the little Autobot with DETERMINATION and DISGUST.

POWERGLIDE (CONT'D)

And awaa-aa-aay we go!

JHIAXUS

No...

**PANEL 6:**

An EXPLOSIVE GREEN FLASH absorbs the entire panel with a 'FZZZZ-ZIP!' sound effect.

**PAGE SEVENTEEN:**

**PANEL 1:**

Yet another GREEN FLASH fills the frame.

**PANEL 2:**

EXT. IACON CITY, CYBERTRON - NIGHT

Powerglide reappears in the PRESENT DAY of 1989 amid a battle between several Autobots and Decepticons.

PROWL, HOT ROD, MAINFRAME and Moonracer fire various energy weapons towards Blitzwing, SHOCKWAVE and SOUNDWAVE.

POWERGLIDE

Ugh! H-Hey, I'm back!

**PANEL 3:**

Powerglide stands in the background, looking forward to see MEGATRON wielding the Kronocube and pointing it towards OPTIMUS PRIME like a weapon.

POWERGLIDE (CONT'D)

Uh-oh...

MEGATRON

Now, Prime... prepare to be erased from history!

**PANEL 4:**

Powerglide LEAPS into the frame to SNATCH the Kronocube from Megatron's hands.

POWERGLIDE

Not so fast, Megatron! You didn't account for the tenacious temporal talents of yours truly!

MEGATRON

What?!

**PANEL 5:**

Powerglide flees on foot with the Kronocube, while Optimus Prime has taken advantage of the distraction to PUNCH Megatron in the face.

MEGATRON (CONT'D)

Guugh!

OPTIMUS PRIME

Good work, Powerglide! Get that device to Mainframe, so he can...

POWERGLIDE

Sorry to disobey, Optimus. But, I still got a mission to complete.

**PANEL 6:**

Powerglide continues to hold the Kronocube in his hands, turning his head to SHOUT OUT towards Hot Rod.

POWERGLIDE (CONT'D)

Hey, kid, you ready for some target practice?

HOT ROD

You know it!

**PAGE EIGHTEEN:**

**PANEL 1:**

Powerglide HURLS the Kronocube into the air, as Hot Rod takes aim with his FOREARM TURRETS.

POWERGLIDE

Then here's your chance! Give it all you've got!

**PANEL 2:**

LOW ANGLE, FROM BEHIND Hot Rod as he continues to BLAST the Kronocube in the air above, causing it to EXPLODE.

Megatron watches with DEFEAT etched across his face.

MEGATRON

My Kronocube! No!

**PANEL 3:**

Megatron LIFTS OFF from the ground, avoiding Optimus Prime's GUNFIRE.

Blitzwing, Astrotrain and STARSCREAM (in his Pretender Shell) have already begun to escape into the distance. Soundwave and Shockwave are also fleeing into the sky.

In the distance, the STUNTICONS: MOTORMASTER, BREAKDOWN, DRAG STRIP, WILD RIDER and DEAD END are racing towards the horizon in their vehicle-modes.

MEGATRON (CONT'D)

You'll pay for this, Autobots .  
Decepticons... retreat!

**PANEL 4:**

Mainframe and Prowl now stand beside Hot Rod, with Prowl looking more than a little ANNOYED. But, Powerglide has pushed past them to move towards Moonracer.

Despite his enthusiasm, she remains PERPLEXED.

PROWL

What did you do, Hot Rod? We were supposed to capture and study that device, not destroy it!

HOT ROD

Well, I...

POWERGLIDE

Give the kid a break, Prowl. He got the job done **perfectly** ! Hey, Moonracer! We did it!

MOONRACER

Did what? What are you talking about, Powerglide?

**PANEL 5:**

Powerglide stands rather SHEEPISHLY within a circle made up of Prowl, Mainframe and Moonracer.

POWERGLIDE

Oh, right. These time-travel shenanigans can really scramble your cerebro-circuits.

PROWL

Time-travel?

POWERGLIDE

Heh. Guess I've got a whole lot of explainin' to do.

**PAGE NINETEEN:**

**PANEL 1:**

Hot Rod, Moonracer and Mainframe stand looking at one another with CONFUSION, while Prowl POINTS an ANGRY FINGER into Powerglide's face.

Meanwhile, Optimus Prime has placed a CALMING HAND on Prowl's shoulder.

PROWL

You sure do. I want a detailed report of this madness on my desk within...

OPTIMUS PRIME

Easy, Prowl. I'm sure Powerglide has a perfectly reasonable explanation... and quite a story to tell, once we get back to base.

POWERGLIDE

Thanks, Optimus. You're never gonna believe this one.

**PANEL 2:**

SPLASH PANEL - In their vehicle-modes, Optimus Prime leads Hot Rod, Prowl and Moonracer towards the reader. Mainframe (being an Action Master) crouches on top of Optimus Prime's trailer for the ride.

Powerglide's jet-mode zooms over the top of them, as the background displays an almost GHOSTLY IMAGE of the Autobot team from the now-deleted future.

The smiling faces of Springer, Dai Atlas, Moonracer, Perceptor, Fixit, Twin Cast, Nosecone, Dogfight, Slag, Override, Blitzwing and Sureshot appear like something from *The Lion King*.

POWERGLIDE (CONT'D)

And awaa-aa-aay we go!

**PAGE TWENTY:**

**PANEL 1:**

EXT. IACON CITY, CYBERTRON - NIGHT

Some time has passed, leaving the former battleground empty besides what appears to be some kind of EMBER, SPARKING TO LIFE in the center of the frame.

**CAPTION:** Later...

**PANEL 2:**

A GREEN FLASH fills the panel.

**PANEL 3:**

As LIME-GREEN STEAM rising from his body, Jhiaxus appears on his hands and knees.

JHIAXUS

W-What happened to me? Where...  
where am I?

**PANEL 4:**

FROM BEHIND - Jhiaxus stands looking towards the city of IACON.

JHIAXUS (CONT'D)

Cybertron? But, not **my** Cybertron.  
Cybertron... of the past.

**PANEL 5:**

CLOSE ON Jhiaxus and his WICKED SMILE.

JHIAXUS (CONT'D)  
How interesting...

**THE END**

We want to thank each and every one of you who took the time to read our script. If you liked what you read here and would like to see more stories in the Transformers G1 cartoon universe, Greig and I would love to keep writing. You could help by contacting SkyBound Entertainment by E-Mail (info@skybound.com) or on Twitter (@SkyBound), and let them know you want to see Transformers: REANIMATED written by Yoshi and Greig Tansley as an ongoing comic book series. Thank You All!
